

Privacy Policy for Hightop Finance

Effective Date: April 10, 2025

Hightop Finance ("we", "our", or "us") respects your privacy and is committed to protecting the personal information you share with us. This Privacy Policy explains how we collect, use, and safeguard your information when you use our iOS application and associated services.

1. Information We Collect

We do not directly collect or store sensitive personal information such as payment data or wallet credentials. However, we may collect limited information to improve our services:

- Usage data (e.g., app interactions, device information, IP address)
- Crash reports and diagnostics for improving app stability

2. Third-Party Services

Hightop Finance integrates with Coinbase Onramp via a secure webview, allowing users to buy crypto using services provided directly by Coinbase. When using this feature:

- All transactions and payment data (including Apple Pay) are handled solely by Coinbase, not by Hightop Finance.
- We do not have access to your payment information or financial details entered during the Coinbase Onramp process.
- Please review Coinbase's Privacy Policy (<https://www.coinbase.com/legal/privacy>) to understand how your data is handled when interacting with their services.

3. How We Use Your Information

We may use app usage data to:

- Monitor and improve app performance
- Fix bugs and enhance user experience
- Ensure the app's technical functionality and security

4. Data Security

We use industry-standard security measures to protect any information that may be collected through the app. Since payment and identity data are managed externally via Coinbase, Hightop Finance does not store or transmit this information.

5. Children's Privacy

Our app is not intended for children under 13, and we do not knowingly collect personal data from children.

6. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page along with an updated effective date.
